Why Choose Hair to Train?

At Hair to Train we offer our students a warm, family cultured environment that supports the development of each student. Our training salon and barber shop provide real life salon experience with a large practical work component. We give our students the opportunity to work on real clients, developing both their technical ability and soft skills.

Our students gain detailed knowledge, from our industry leading educators, with quality work experience and practical step-by-step salon training.

We are dedicated to creating industry ready professionals, by inspiring growth and learning, and maximising self esteem.

Why Choose Hair to Train?

We prepare our hairdressing and barber students for real-life work in our boutique Mount Maunganui salons Havana Barbers and Ivy Hair. We have up-to-date point of sale technology and modern salon management software.

Our barbers provide all the male grooming services modern men expect.

At Hair to Train we proudly stock and use Goldwell professional haircare products. It is important to us that our students work with industry quality products and equipment.

More employers come to Hair to Train for salon staff, confident in the knowledge our students are professional and industry ready hair stylists.

GOLDWELL.
